•Host families needed for exchange students! Riverheads High School has selected two exchange students for this coming school year (2018-2019). They have space reserved at the school for them, but they need a host family before they can come. The students come with their own spending money and health insurance. The host family provides a bed, meals, and support.

One of the students is Marta who is 16 years old and from Spain. Marta plays on the volleyball team at home, likes photography and music, and she also plays the piano and guitar.

The other student is Bernardo who will turn 16 years old while he is here and is from Mexico. Bernardo likes soccer, swimming, body building, fishing, watching movies, and playing video games.

If you would be interested in hosting either of these students please contact Cindy Miller, Local Coordinator for CIEE (the Council on International Educational Exchange) at (540) 464-3110, (540) 817-8851 (cell) or chmiller@rockbridge.net. A host family orientation will also be provided. Thank you!

•Work progresses on the powder room adjacent to the Memorial Hall bathroom. We are very grateful to John Davis and Cabinetworks for the donation of the beautiful cabinet with a marble top which has been placed in the powder room. Soon to be installed will be a large mirror over the cabinet, then additional lighting above the mirror. We feel this will be a pleasant place used by many, and will provide a dressing area for brides to prepare themselves for one of the biggest days of their lives. The counter space will also provide a baby-changing area for young mothers. Many thanks to John and to Cabinetworks!

Presbyterian Hymnal "Glory to God"

We are looking at the purchase of the new Presbyterian hymnal "Glory to God", which was published in 2013.

Our current hymnals were published in the 1990's, which although are still of value in our worship service, may not reflect the 2018 church.

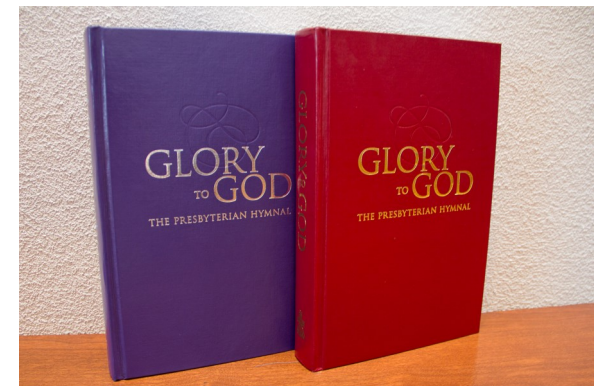

If you would like more information or have questions about the possible purchase of this hymnal please contact any member of the Worship Committee or Pastor Kelly-Ann.

If you would like to take a look at the hymnal itself there is a copy in the Church Office or you can also go to: hymnary.org/hymnal/GG2013. The website has information about the hymns in "Glory to God" including text, tune information, and audio clips.

Please take the time to look at the new hymnal and consider this opportunity offered to you.

Thank you!
