"Supper & a Speaker" Returns!

"Supper & a Speaker" will be returning on Tuesday evening, May 21st, at 6:30 pm titled: "Geriatric Horses: Care & Feeding of the Shifting Views of Working Animals". The program will focus not only on the care of geriatric horses, but also why this is now a "thing", and why this is important in any agricultural community. The old horse is a real symbol of how the feelings and view of the greater population have shifted regarding farm animals. The program will be presented by Dr. Tracy E. Norman, VMD, MA. Dinner will be at 6:30 pm (free will offering). *Please RSVP to (540) 886-6041 or bethelpc@gmail.com by May 13th if you plan to attend the meal.* If you cannot make the dinner the program will begin at around 7:15 pm. This dinner and program are open to everyone in the community and surrounding area especially if you are or if you know farmers, horse enthusiasts, animal lovers, or you would like to gain more knowledge about horses and/or equine practices. More information about Dr. Norman will be available in your May Tower.

The Mission Committee would like to thank everyone who came to the Pork Loin Meal on April 28th. With your continued support the meal raised \$2,427.25! These funds will help support Bethel's mission projects. Again many thanks!
